

Rep. Sloan Re-Appointed Vice-Chairman Energy & Environment Task Force

Rep. Tom Sloan (R, Lawrence) has been re-appointed Vice Chairman of the Council of State Governments' (CSG) Energy & Environment Task Force. CSG is the largest professional association for members of the Legislative, Judicial, and Executive branches of state governments.

"It is very unusual for a state legislator to be reappointed to a CSG Task Force leadership position and I am pleased that my leadership in Kansas and nationally on energy, renewable energy, and water quality and quantity issues are recognized," said Sloan. "This is another example of Kansas and Kansans leading public policy development on energy and environmental issues nationally."

Rep. Sloan is serving his 9th term in the Kansas House of Representatives. He is Chairman of the Vision 2020 Committee and a member of the Joint Special Committee on Energy, Energy & Utilities, Local Government, and Agriculture and Natural Resources Budget Committees.
